

Recreation Program Modification Initiative Tonto National Forest

Cave Creek Ranger District Bartlett Lake

Bartlett Lake has five recreation sites including boat docks and ramps, campgrounds, a fishing dock, and picnic sites. Facilities vary from flush toilets and drinking fountains to vault toilets and picnic tables.

Annual operating cost for Bartlett Lake: \$290,000 plus repairs and maintenance

Flush toilets require a water system
– average annual cost \$68,000

Vault toilet (no water system)
Average Annual Cost - \$16,000

Vandalism costs the Forest several thousands of dollars a year to repair.
